FOREWORD

Football fortunes south of the river don't change much from year to year if the S.S.M.F.L. can be used as a yardstick.

With the first round completed there is only one change to the top four as it stood at this time last season. The notable omission is Kwinana and their worthy replacement in Second Position is Kenwick.

At the end of last season's first round Maddington, Kwinana and Gosnells were all locked together with eight wins from nine games. Kelmscott and Kenwick were three games behind them with Thornlie another game away sixth.

In marked contrast to this season, the competition during the second round last year was cut-throat —both for positions in the top four and for positions within it.

This seasons big improvers to date are undoubtedly Kenwick who have won two more games than at the same time last year. Mandurah have won three more games than they had last year but their present form darkens their early successes.

Most of the other sides are in comparable positions to last season with the exception of Kwinana who are five games worse off.

Most interest for the remainder of this year will centre on the fight for second place and we should have a better idea of how the top four will finish after today's round.

Canning's lunge for a finals berth will also be watched with interest but they have a long road in front of them.

TODAY'S GAMES:

This afternoon's games represent the most even draw possible at this stage of the season.

The two outstanding games should be between the top four sides but with all teams paired in premiership ladder order, all games should be close.

Maddington will face their biggest test this season when they meet Gosnells at MADDINGTON OVAL. Gosnell's surprise loss last week will serve to spur the side on today and spectators should see one of the best games of the year. Maddington's ruthless professionalism continues to win them games and while they may incur difficulties with Gosnells pace, they look more than capable of winning.

Kalamunda have their best opportunity for several weeks to notch their first win when they play Mandurah at MANDURAH OVAL. Mandurah showed signs of recovery last Sunday and they're always a difficult proposition at home but the Kougar's enthusiasm may prevail today.

Canning stamped themselves as prospective finalists last week and a win against Armadale this afternoon at GWYNNE PARK is imperative if they're going to sustain their challenge. The Tigers now have the incentive and they should be sufficiently motivated to stay with the four.

Kenwick and Kelmscott meet in another vital clash at MILLS PARK. Kenwick will be jealously guarding their newly won second position and the added depth that their new "recruits" Greg Brehaut and Alf Stahl gives them, will allow them to consolidate today.

Thornlie and Kwinana will both be desperate for points when they meet at THORNLIE OVAL. Neither side has had much to smile about this season but Kwinana did regain some competitive spirit under their new coach, John Lange, last Sunday and this may give them the edge.

THE KNIGHTS NOTES

Congratulations to John Lange on his appointment as coach for the remainder of the 1976 season. I hope the players give him more support than they did to Kevin and at the same time would like to thank Kevin for the hard-working effort he gave for the first half of the season.

Last week Maddington showed both sides the brand of football required of top teams. Both games were one sided affairs, but it was good to note the improved attitude of some players. It is obvious the ability is there, all that's needed is the courage and determination to win. Best players for the league were D. Baskerville, A. Draggett, F. Legena and W. Turnbull and for the seconds J. Read, C. Vernals, G. Ross and F. Cousins.

Congratulations to Sally and Sandy on the birth of their daughter Simone.

Thank you to Maddington for enjoying drinks after the game. We will return the compliment next rounds.

Today we meet Thornlie and I feel sure we can take off the double. — It's up to the players to prove it and show the critics we haven't finished business as a force in this year's competition.

KING ARTHUR

KALAMUNDA

Though we matched Kenwick in spirit and fight we could not match them in playing skills. Our score of 7.12 was poor reward for the amount of time we had the ball, however if we return the same effort against Mandurah we will come home with our first win.

In the league side good games were put in by Ken Smith, Mike Jeffories, Ian Price, Terry Enright and Ossie Hatwell.

The reserves match resulted in another win to Kenwick in a hard fought game but for the breakdown in our forward line the scores would have been a lot closer. The side is improving every game and has more than enough talent to score a double for the club this week.

The club would like to thank Kenwick for it's support in the after game social and to remind players to stay behind after this weeks match and return Mandurah's support from the first round.

TALK OF BULL

Good displays of run on football by both the league and seconds sides enabled them to record convincing victories over Kwinana last Sunday.

The league team began well and set the pattern for a high scoring game by registering early goals. One player to feature continually in the first half was Paul Mountain who gave a fine display of his roving skills.

The third quarter was very even and it was to Kwinana's credit that they scored as many goals as the Bulls in this term. However, they were unable to sustain the effort and the Bulls, showing the benefit of the hard game against the State Amateur side the previous week-end, ran riot in the last quarter and kicked a further twelve goals.

Many players contributed solidly for the entire game and best players were numerous. 'Joke' Butlers twelve goals was a welcome return to form with Trevor Tregear and Jim Cominelli also worthy of mention.

The seconds combined well but wasted many good attacking moves by miskicking in front of goals. Those to play well included Vince Slavin, Doug Bushby, Russell Jarvis and Mike O'Halloran.

Rumor has it that dashing Dave Walker was having extensive back treatment prior to the start of last Sunday's game. One wonders whether it was this condition or just a general lack of condition that caused him to leave the ground before the final siren. Another seconds player who could also be suffering from the same effects in the near future is wingman Peter Johnston who last week announced his engagement to Sue Martin from Queensland.

The eight-ball competition organized by Mike O'Halloran and held in the clubrooms last Friday week resulted in a play-off between Archie Want and Allan Bradshaw. Allan Bradshaw eventually won the major prize after many tense moments in the final game.

Members are reminded that the club's gala function 'The Bull's Ball' is to be held on Friday the 16th of July and that tickets are now available — don't miss this great night out.

BULLSEYE

MIGHTY ROYALS

In a game that lacked purpose in the first half Kenwick finally overpowered a determined Kalamunda team and went on to win by 140 points. The Royals method of football fluctuated between brilliant and bad, especially in the first two quarters. After receiving a tongue lashing from Coach Neil Dedman all players contributed in the next two quarters and the team work began to flow more readily. Many players were slow to get started in the first half and it was only through the efforts of Ralph Martin (played well all day) Kevin Wilson (some brilliant dashes), Gary Worthington (never stopped running) and another fine performance by Kim Lofts, that Kenwick were in front by so much. The second half brought more players into the game as the Royals opened up the play and started to use the handball and kicking to advantage. Players that had been quiet lifted their games, in particular Geoff Truscott and Brian Thompson and finally the side got moving. Kenwick's determination to be in front and get possession of the ball improved, particularly Kevin Dale's performance, while Jim Gilbert showed his team mates how to hand out solid hip and shoulder tackles.

Our spell of easy games have gone and we again come to grips with the top sides — this will prove just how good a combination we are and I know the taking of certain scalps would be welcomed with great admiration.

SECONDS: The attitude of the players and their approach to Sundays game was an improvement although the concentration tends to lapse on too many occasions. Contrary to this were players like Ken Staines, Wayne Robins and Wayne Ogg, who gave solid displays and did everything asked of them. Flashes of play-on football is slowly returning and this has been brought about by the enthusiasm shown by Neil Fry and Nick Catalano. Experienced players in Dusty Dillon and Greg Narrier gave the Royals a talented trio in the forward area and their use of the opportunities were first class.

We meet Kelmscott at home this week — two very vital games — supporters of both clubs are welcome to join into the after game festivities.

THE SEASIDERS

A new round begins today so now is the time for Mandurah to take new heart. We meet Kalamunda at home and it is absolutely vital that we register a win against a side that we have already beaten away from home.

Last week's defeat by Armadale was a disappointment because it appeared at three quarter time that Mandurah was well in it and were capable of going on to victory. Armadale had played the stronger football in the first and second quarters and were leading by 40 points at half time. However during the third quarter we kicked 7.5 compared with Armadale's 2.5 to make a difference of only 10 points at three quarter time. The Mandurah spectators hoped that this would prove to be the opportunity for the team to finally break through to the winning list again. But it was not to be. A determined Armadale side went on to kick 4.2 for the quarter thus defeating Mandurah 15.22 to 12.13. Trevor Hathaway, on the ball, Geoff Rees at centre half forward and Ron Zurawski in the back pocket were the best players over the four quarters. Paul Woollorton also played very well at full back until he unfortunately received an injury.

The seconds were victorious with an excellent win over Armadale 16.9 to 5.5. They had an excellent third quarter when they really put the pressure on to establish a 10 goal lead by three quarter time. Mark Hookway put in a very good game and Allen Barrett also played well. However the whole team put in a good four quarter effort and are to be congratulated on their game.

SOCIAL NOTES:

Congratulations to Shane Birch and Jenny Ward on their marriage. Everyone in the club wishes them the very best for the future.

It is with regret that we must say goodbye to Colin Glasson who is leaving Mandurah and going to Wokalup to live and work. Colin will be sadly missed by the club because he has been a tireless and enthusiastic worker. We must wish him and his wife the best of luck in their new venture.

MERMAID

THE HAWKS

QUESTION: What happened to our league team last Sunday, just when everything was going so well and they seriously looked a danger in the competition.

ANSWER: They were solidly beaten by a better team on the day and a team that played four full quarters and with the will and tenacity to keep possession of the ball.

Reason we lost: The attitude that players have been showing at training was all too truly reflected in last weeks game against Cannington. Come on fellas, the club and supporters deserve better performances than the most recent one and we all know you can play one hundred percent better.

Best players for the league were difficult to pick, however special mention goes to Norm Barratt and Dale Chapman for their trying and tireless efforts throughout the game.

Congratulations to the reserves side for their victory against Cannington. Best player in this game was Bob Leorser for his outstanding marking throughout.

SOCIAL: The Social Committee is presently making arrangements for a Sportsman's Night to be held in the near future.

A Quiz night will be held on July 2 and we urge everyone to attend as these nights are a lot of fun. The Quiz will be compared by one of our new members, Mr. Geoff Crabb.

SPECIAL NOTES:

My apologies for not mentioning the winner of our \$500 Bonanza Raffle in last weeks gazette. The winner was Mr. Buck Scudds, our very popular trainer and deserved winner. Congratulations Buck. Also a correction to last weeks mention of congratulations to the proud parents, Shirley and Bruce Dalby on the arrival of their baby. It is a baby boy.

DEMONS DIGEST

'NOT FOR NIX - IN '76!'

Today, we find ourselves at Gwynne Park again, this time as hosts to Canning F.C., the "Tigers". All Tigers are invited to our friendly after match social.

Last week, against Mandurah, the League side finished off the first round on a good note, with a well earned win. It was even more deserved considering the juggling of players and positions that had to be made due to many last minute problems. The Demons got away to a healthy start with good aggressive football in the first half, giving themselves a handy lead at the change-over. The third quarter saw yet once again this inexplicable floundering that has plagued this side this year. However, they pulled themselves together in the final quarter, and fought for the ball with desired effect of carrying them through to a long overdue win. With their moral well topped up, they should (they have the ability) give a far better account of themselves in this second round, starting with today's match. Best players in this match were Gary Greer, Billy Griffiths, Max Van Helden, Charlie Tenardi and a real gutsy performance by Johnny Rowe. Congratulations to the whole team on their good win.

THE BULLDOGS

Last Sunday Kelmscott finished the first round with a double victory over Thornlie which consolidated the League side in the four and also brought the reserves up into a contenders spot.

Today's game against Kenwick is vital and players in both grades will be out to prove their true ability with a "do or die" 100% effort.

Although our league side had a comfortable 30 points win over Thornlie last week players should analyse themselves objectively and ask themselves if they are giving the club the best of their abilities, for despite being well on top of Thornlie at ¾ time we allowed them to outscore us in the final term.

'Ferret' Woodhams maintained his good form of recent weeks and provided a direct avenue for attack with his ability to clear the ball from the centre bounce-downs; combined with the intelligent creative play of Chris Parsons and Paul Vasoli this led to many opportunities for our new spear-head Peter Edwards. Switched from full-back to full-forward Peter proved his versatility and capped off a solid game with 5 goals.

In the reserves Kelmscott had little trouble in disposing of Thornlie however neither side was able to develop any system of play and the game was generally scratchy. The Thornlie forwards were continually thwarted by the strong and reliable defence of Greg Walter and Neil Lewis who, needless to say, took off our best player awards.

S. CANINE

The Reserves were well beaten by Mandurah after keeping in the game up to half-time. If this side is to win at all this season, it will have to start using a bit of the old 'brain matter'. Best players in this game were Mike Meloncelli Royce Wilkerson, Wayne Hand and Peter Griffiths. Come on fellas, our nick name is Demons not Lemons!

The Under 18's suffered their first defeat against Maddington last week, losing by a couple of goals. Best players were 'Veg' Fulgrave, Russell Stevens and Alan Henderson 'Hendo' is Albany's loss and our gain, good effort 'Hendo'!

PEEGEE

TIGER TALES

An enthusiastic Canning side, prepared to utilize their capabilities for a full 100 minutes, proved too good for top rated side Gosnells last Sunday. It's taken a bit longer than we anticipated, but finally the Tigers have put together the team work necessary to be a force in this year's strong competition.

Starting the final quarter 12 points in arrears Canning produced a paralysing burst of brilliant football few sides would have been capable of stopping. Our final tally of 14-23 was the only blemish on an exemplary performance, especially the three "posters" in the vital last quarter. Apparently North Melbourne had the same problem this year and employed a psychologist in an attempt to solve the problem. We might get two, one for the other forwards and one for Ron Wilcox.

A complete team performance meant singling out best players an awkward task but those who shone, in columnist's opinion were Polsen, Wilcox, Johnson, Kimberley, Cizeika and Green. Mention must also be made of the efforts of our backline who restricted the Gosnell's side to a total of 2 points in the last 40 minutes of the game.

The Seconds, bolstered by a string of new faces, led the powerful Gosnells side to half time, but the early efforts told in the latter stages of the game seeing Gosnells finally record a 6 goal victory. It was a most encouraging effort, though, and best players were Campbell, Bebbington and the Hunter brothers.

Our Annual Ball is now just 4 weeks away. July 16 is the date and Cannington Central is the Venue. Catering arrangements must soon be finalised and we urge everyone to notify Terry Freeman of their ticket requirements immediately.
